Product Description

Products Description

Crafted from high-quality MDF and high-density polyester fiber, these panels are free from harmful chemicals and have low TVOC levels, ensuring a safe and healthy interior environment. They offer excellent noise-canceling abilities and superior sound insulation, with an NRC rating of 0.8, making them an effective solution for reducing sound transmission and enhancing acoustic privacy. All slats are three-sidedly coated with wood veneer, providing a consistent look and feel for a unified appearance throughout the panel.
