

## Hexagon Eco-Friendly Polyester Fiber Acoustic Panel for Multi-scene Use

### Our Product Introduction

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MQ Acoustics
- Model Number: fiber acoustic panels
- Minimum Order Quantity: 100 square meters
- Price: \$9.14/square meters 100-199 square meters
- Packaging Details: Carton Box, Pallet
- Delivery Time: 5-8 work day
- Payment Terms: T/T
- Supply Ability: 5000 Square Meter/Square Meters per Month

#### Product Specification

- Product Name: PET Acoustic Panel
- Acoustic Type: Porous Sound Absorbing Material
- Standard Size: 1220\*2420mm
- Thickness: 9/12/15/18/24mm
- Density: 1200g-3700gsm
- Color: More Than 48 Colors To Be Chosen
- Application: Office Building, Office, Meeting Room, Multi-Function Hall, Etc.
- Weight(standard Size): 2.6-6.5kg Per Panel
- Origin: China
- Transport Package: Carton Box, Pallet
- Function: Interior Decoration And Sound Absorbing
- Port: GUANGZHOU
- Warranty: 5 Years

Products Description

Polyester Acoustic Panels are sound absorbing panels developed with environmental friendliness in mind. The panels are made from 100% polyester (60% PET-recycled fiber and 40% PET-virgin fiber) and are 100% recyclable. These Panels offer many environmental advantages over the traditional fiberglass sound absorption panel.

Material	100% polyester fiber
Size	1220*2420 mm or customized
Thickness	9mm/12mm (0.35in, 0.47in)
Density	1200-3700g/m²
Eco-Friendly	Class E1
Edge	Square or beveled
Usage	Sound absorption

Acoustic panels provide a multitude of **advantages**, making them an essential addition to any space:

- Noise Reduction: Enhance sound clarity by minimizing unwanted noise and echoes.
- Boosted Productivity: Foster a quieter workspace to improve concentration and efficiency.
- Greater Comfort: Diminish noise pollution at home for a more serene living environment.
- Adaptable Design: Choose from a diverse array of styles and colors to complement your decor.

Application

- Home Offices: Establish a professional and tranquil environment ideal for virtual meetings and focused work.
- Studios & Media Rooms: Optimize sound quality for immersive audio and visual experiences.
- Conference Rooms & Restaurants: Minimize noise disruptions and improve communication, ensuring productive meetings and enhanced customer interactions.
- Residential Spaces: Elevate the acoustics in living rooms, bedrooms, or home theaters for a more enjoyable and comfortable atmosphere.

# Product Features

**1/ Excellent sound absorbing performance:**  
The NRC can be 0.85 to 0.94

**2/ Easy installation**  
To cut by knife and easy to install by glue or nail

**3/ Good physical stability**  
Can meet ASTM E84-2016

**4/ Various of Color for Option**  
Can easily realize the designer's inspiration

# Applications

Company Profile

## About Us

Magic Cube (MQ) Acoustics is a professional acoustic solution provider, integrating acoustic material manufacturing, architectural acoustical environment construction and industrial noise control. We are committed to the combination of Acoustics & Aesthetic, to offering our clients the best acoustic solution with high quality acoustic material.

In order to meet the higher needs of customers, we has introduced advanced production equipment which has fully guaranteed product quality and technology. After 5 years of rapid development, we has an annual output of more than 500,000 square meters of various acoustic materials.

## FAQ

---

### 1. Can I get free samples and how long does it take to produce samples?

If the samples you need are in our stock, they will be provided to you free of charge. Customized samples usually take about a week to produce.

### 2. Do you accept OEM or ODM order?

Yes, as a manufacturer, we can produce acoustic materials based on your samples or drawings. Please do not hesitate to contact us.

### 3. How to get an accurate quotation?

Can provide us with detailed product information, such as pattern, core material, surface, etc. If you have CAD or other drawings,

don't hesitate to send it to us.

### 4. Payment terms

T/T 30% deposit before production, 70% balanced payment before delivery.

For more information, please feel free to contact us.
