

12mm Thickness 100% Polyester Fiber Acoustic Panel For Wall And Ceiling

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MQ Acoustics
- Model Number: fiber acoustic panels
- Minimum Order Quantity: 100 square meters
- Price: \$9.14/square meters 100-199 square meters
- Packaging Details: Carton Box, Pallet
- Delivery Time: 5-8 work day
- Payment Terms: T/T
- Supply Ability: 5000 Square Meter/Square Meters per Month

Product Specification

- Product Name: PET Acoustic Panel
- Acoustic Type: Porous Sound Absorbing Material
- Standard Size: 1220*2440mm
- Thickness: 9/12/24mm
- Density: 1400g-3700gsm
- Color: More Than 48 Colors To Be Chosen
- Application: Office Building, Office, Meeting Room, Multi-Function Hall, Etc.
- Weight(standard Size): 3.9-6.5kg Per Panel
- Origin: China
- Transport Package: Carton Box, Pallet
- Function: Interior Decoration And Sound Absorbing
- Port: GUANGZHOU
- Warranty: 5 Years

Product Description

Products Description

Product Name	12mm Thickness 100% Polyester Fiber Acoustic Panel
Application	Walls, Ceilings
Material	100% Polyester Fiber
Thickness	12mm
Color	Multiple color options (customizable upon request)
Size	600mm x 600mm or 600mm x 1200mm (custom sizes available)
Fire Rating	Complies with national fire safety standards (B1 level)
Eco-Certification	Meets E1 environmental standards, formaldehyde-free, odorless

Key Features

High Sound Absorption

Made of high-density polyester fiber, it offers excellent sound absorption, effectively reducing noise and improving indoor acoustic environments.

Eco-Friendly and Safe

100% polyester fiber material, non-toxic and harmless, complies with environmental standards, suitable for homes, offices, schools, hospitals, and other spaces with high environmental requirements.

Lightweight and Durable:

Lightweight for easy installation, with strong impact resistance and durability, resistant to deformation or aging.

Fire Resistance:

Specially treated to provide excellent flame-retardant properties, meeting national fire safety standards for secure use.

Aesthetic Design:

Customizable surface colors and textures, combining functionality with decorative appeal to enhance space aesthetics.

Easy Installation:

Supports multiple installation methods, such as adhesive mounting, suspension, or fixing with frames, suitable for both walls and ceilings.

Product Features

1/ Excellent sound absorbing performance:

The NRC can be 0.85 to 0.94

2/ Easy installation

To cut by knife and easy to install by glue or nail

3/ Good physical stability

Can meet ASTM E84-2016

4/ Various of Color for Option

Can easily realize the designer's inspiration

Applications

Company Profile

About Us

Magic Cube (MQ) Acoustics is a professional acoustic solution provider, integrating acoustic material manufacturing, architectural acoustical environment construction and industrial noise control. We are committed to the combination of Acoustics & Aesthetic, to offering our clients the best acoustic solution with high quality acoustic material.

In order to meet the higher needs of customers, we has introduced advanced production equipment which has fully guaranteed product quality and technology. After 5 years of rapid development, we has an annual output of more than 500,000 square meters of various acoustic materials.

FAQ

1. Can I get free samples and how long does it take to produce samples?

If the samples you need are in our stock, they will be provided to you free of charge. Customized samples usually take about a week to produce.

2. Do you accept OEM or ODM order?

Yes, as a manufacturer, we can produce acoustic materials based on your samples or drawings. Please do not hesitate to contact us.

3. How to get an accurate quotation?

Can provide us with detailed product information, such as pattern, core material, surface, etc. If you have CAD or other drawings,

don't hesitate to send it to us.

4. Payment terms

T/T 30% deposit before production, 70% balanced payment before delivery.

For more information, please feel free to contact us.
