Product Description

Products Introduction

3D Acoustic Lamp

Discover our 100 % polyester lampshades—a seamless blend of feather-light elegance and robust resistance to moisture and UV. The finely woven, semi-sheer fabric softens LED light into a warm, soothing glow that enhances modern, farmhouse, or eclectic décor. Cleaning couldn't be easier—just wipe the surface or unzip covers for machine laundering. Available in

Our Product

fade-proof palettes and linen- or silk-inspired textures at wallet-friendly prices. Crafted from recycled fibers, they marry eco-credentials with timeless sophistication—perfect for homes, cafés, and boutique hotels.

Authoritative Quality Inspection Report

Sound absorption and noise reduction stronger

The highest sound absorption coefficient (NRC) is above 0.87 in the range of 125~4000HZ noise

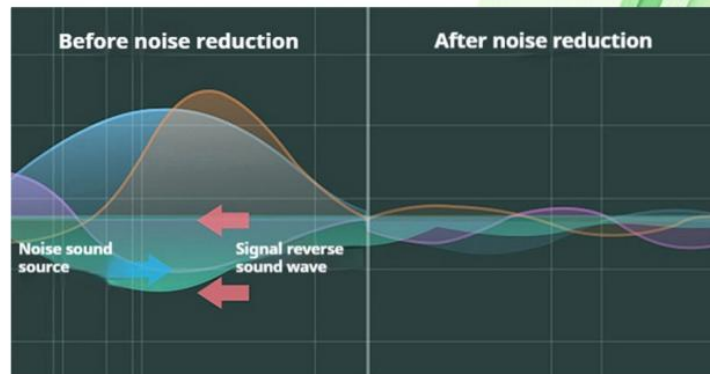

Sound-absorbing principle of sound-absorbing board

When sound waves enter the porous sound-absorbing material. Due to the viscous resistance of the air, the vibration friction between the air and the hole wall. A considerable part of the sound energy is converted into heat energy and absorbed.

Why Choose
To Join MQ

- ✓ We are the most innovative manufacturer in the industry in China.
- ✓ Our team of global professional engineers and consultants are highly qualified.
- ✓ We have over 10 years of experience in the field of sound-absorbing panels.
- ✓ We have 4 production lines and can deliver products within 7 days.

FAQ

1. Can I get free samples and how long does it take to produce samples?

If the samples you need are in our stock, they will be provided to you free of charge. Customized samples usually take about a week to produce.

2. Do you accept OEM or ODM order?

Yes, as a manufacturer, we can produce acoustic materials based on your samples or drawings. Please do not hesitate to contact us.

3. How to get an accurate quotation?

Can provide us with detailed product information, such as pattern, core material, surface, etc. If you have CAD or other drawings.

4. Payment terms

T/T 30% deposit before production, 70% balanced payment before delivery.

For more information, please feel free to contact us.
