Product Description

Specification

Our Polyester Acoustic Pet Desk Panels are innovative, eco-friendly office solutions designed to enhance workspace acoustics while promoting sustainability. Made from recycled PET materials, these panels offer superior sound absorption, durability, and a sleek modern design—perfect for open-plan offices, coworking spaces, and home workstations.

Thickness	9/12/15/18/24mm
Size	880L*300H, 1000L*300H
Shape	Linear etc.
Color	more than 48 colors
Design	customization

Key Features

Eco-Conscious Materials

Made from 100% recycled polyester (PET), reducing plastic waste.
Non-toxic & odor-free, ensuring a healthy work environment.

Superior Sound Absorption

NRC (Noise Reduction Coefficient) rating of 0.7-0.9 for effective noise control.
Reduces echo and background chatter, improving focus and productivity.
Ideal for phone booths, meeting pods, and desk dividers.

Sleek & Functional Design

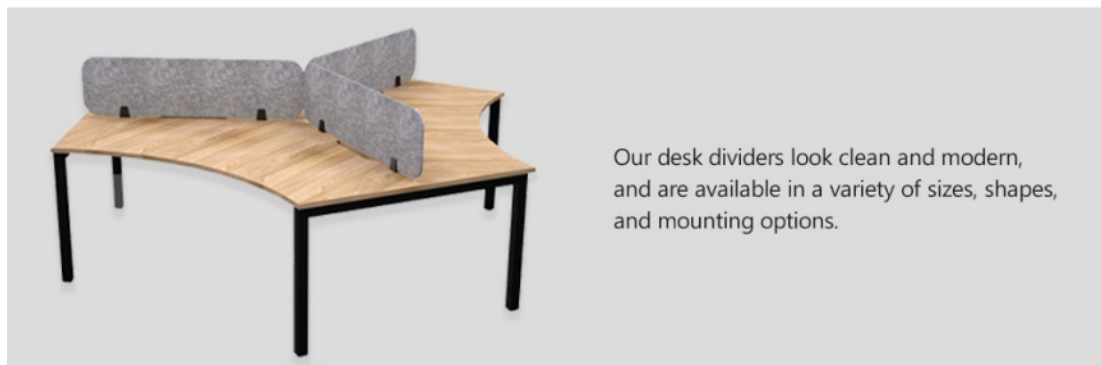

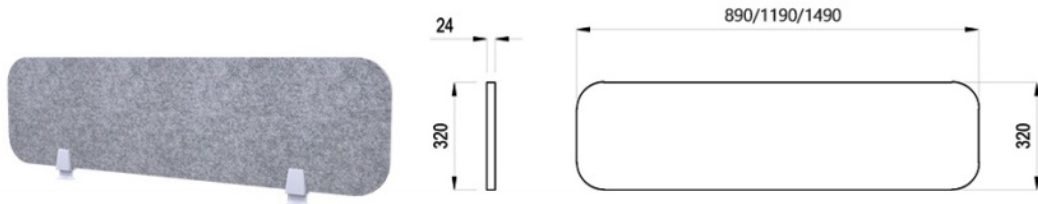

Customizable sizes & colors to match office aesthetics.
Lightweight yet durable, with easy clip-on or magnetic installation.

Versatile Applications

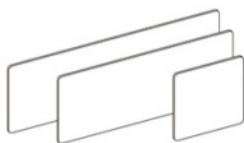

Desk partitions for privacy in open offices.
Wall-mounted acoustic panels for meeting rooms.
Freestanding room dividers for flexible workspace zoning.
