

Stylish Noise Control Acoustic Polyester Fiber Sheets PET Soundproof Acoustic Wall Panels

Our Product Introduction

for more products please visit us on acousticpanelwalls.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MQ Acoustics
- Model Number: fiber acoustic panels
- Minimum Order Quantity: 100pcs
- Price: 0.8usd/pc 100-200 pcs
- Packaging Details: Carton Box, Pallet
- Delivery Time: 5-8 work day
- Payment Terms: T/T

Product Specification

- Material: 100% Polyester Fiber
- Size: 1220*2440mm/customized
- Thickness: 9/12/15/24mm/customized
- Color: More Than 48 Colors To Be Chosen
- Application: Home, Office, Meeting Room Etc.
- Feature: Highly Effective Sound Absorption, Decoration, Eco-friendly
- Origin: China
- NRC: 0.80-0.85
- Transport Package: Carton Box & Pallet
- Function: Interior Decoration And Sound Absorbing
- Warranty: 1 Year

Product Description

PET soundproof acoustic wall panels are an innovative acoustic decoration material made primarily from recycled polyester fibers (sourced mainly from plastic bottles). These panels combine effective noise control with modern aesthetic design, efficiently absorbing environmental noise and reducing sound reflections. Their modular design meets diverse interior decoration needs while offering significant environmental benefits and sustainability advantages, making them an ideal choice for modern architectural acoustic design.

Product Name	Polyester Fiber Acoustic Panel
Application	Home, Office, Meeting Room etc.
Material	100% Polyester Fiber
Thickness	9mm / 12mm /15mm/ 24mm
Color	more than 48 colors options (customizable upon request)
Size	1220*2440mm (custom sizes available)
Eco-Certification	Meets E1 environmental standards, formaldehyde-free, odorless

Features

Environmentally friendly materials: Made primarily from recycled PET plastic bottles (post-consumer recycled content).

Excellent acoustic performance: High noise reduction coefficient (NRC) effectively absorbs wide-band ambient noise, reducing echo and reverberation.

Safe and healthy: Non-toxic and harmless, certified internationally for environmental and safety.

Lightweight and durable: Lightweight, easy to transport and install, while offering excellent stability and durability.

Decorative: Available in a variety of colors, thicknesses, and surface textures (such as fabric and wood grain), allowing for customization.

Product Features

1/ Excellent sound absorbing performance:
The NRC can be 0.85 to 0.94

2/ Easy installation
To cut by knife and easy to install by glue or nail

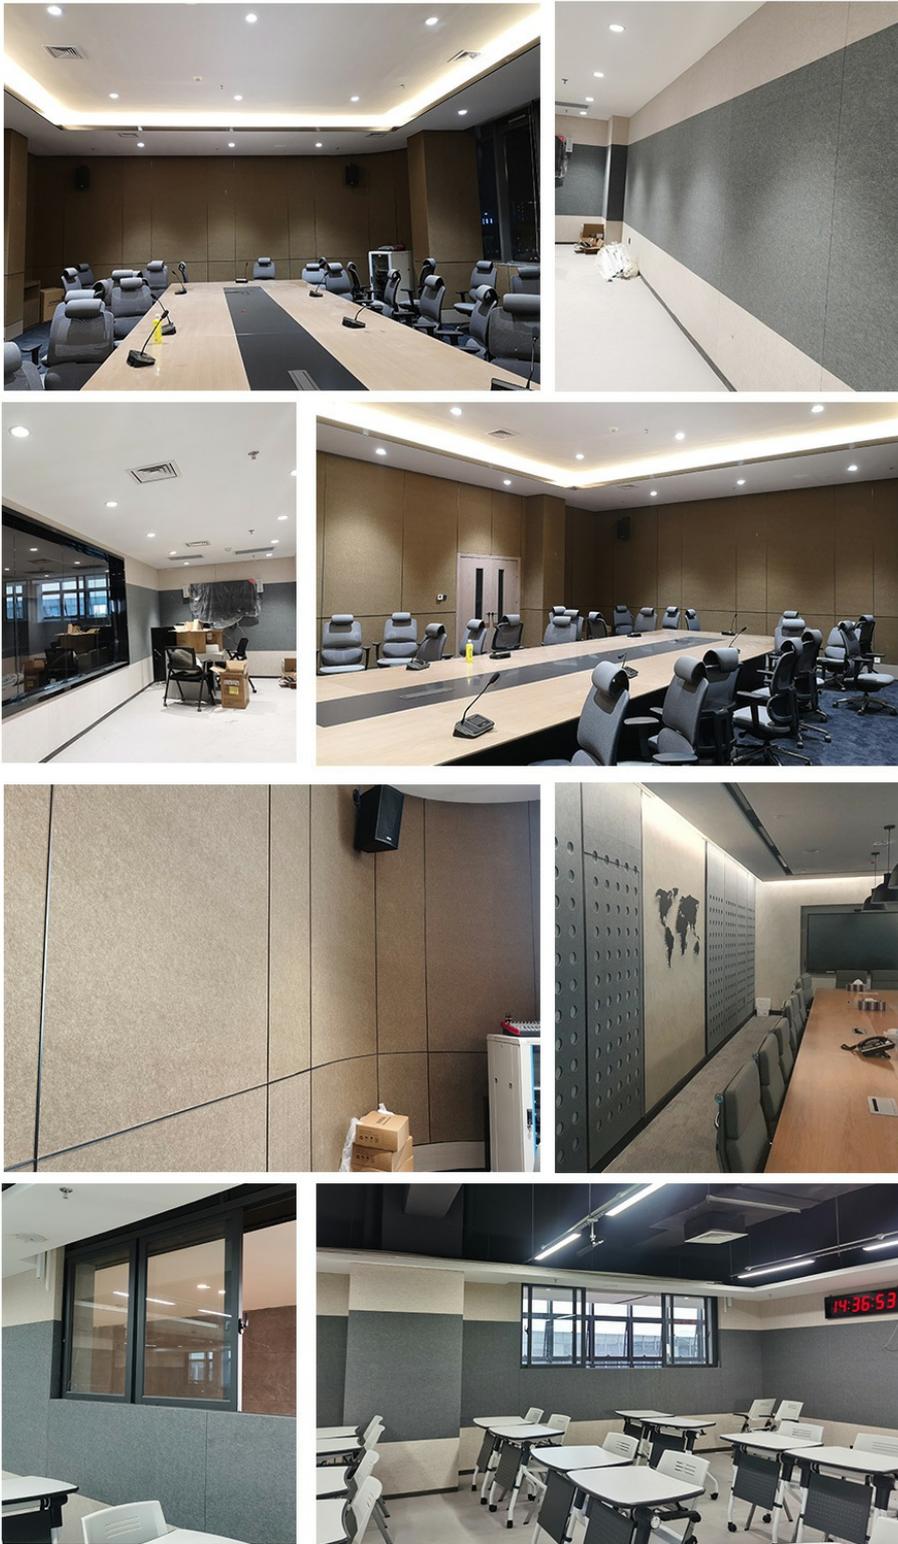

3/ Good physical stability
Can meet ASTM E84-2016

4/ Various of Color for Option
Can easily realize the designer's inspiration

Applications

Installation Methods

Direct Adhesion: Eco-friendly glue for flat walls/ceilings.

Suspension Hooks: Hanging panels .

Modular Snap-in: Easy assembly/disassembly for maintenance.

About Us

Magic Cube (MQ) Acoustics is a professional acoustic solution provider, integrating acoustic material manufacturing, architectural acoustical environment construction and industrial noise control. We are committed to the combination of Acoustics & Aesthetic, to offering our clients the best acoustic solution with high quality acoustic material.

In order to meet the higher needs of customers, we has introduced advanced production equipment which has fully guaranteed product quality and technology. After 5 years of rapid development, we has an annual output of more than 500,000 square meters of various acoustic materials.

FAQ

1. Can I get free samples and how long does it take to produce samples?

If the samples you need are in our stock, they will be provided to you free of charge. Customized samples usually take about a week to produce.

2. Do you accept OEM or ODM order?

Yes, as a manufacturer, we can produce acoustic materials based on your samples or drawings. Please do not hesitate to contact us.

3. How to get an accurate quotation?

Can provide us with detailed product information, such as pattern, core material, surface, etc. If you have CAD or other drawings,

don't hesitate to send it to us.

4. Payment terms

T/T 30% deposit before production, 70% balanced payment before delivery.

For more information, please feel free to contact us.
